

# Do you park in Emeryville?

*We want to hear from you!*

The feedback and ideas of residents, business owners, employees, and visitors in the community will be crucial to finding successful parking solutions. Visit the project's website to get more information about the project, get involved, and follow along.

## Upcoming Workshops

Thursday, 11/16 | Attend either from 3-5 p.m. or 6-8 p.m.\*  
Emeryville Center of Community Life  
Multipurpose Room A  
4727 San Pablo Avenue, Emeryville, CA 94608

\* The same information will be presented at both workshops  
RSVP to [aevans@emeryville.org](mailto:aevans@emeryville.org) (preferred) or (510) 596-4382

## About the Plan

In response to concerns of both residents and businesses, Emeryville is exploring new ways of managing parking throughout the city. We are considering changes like:

- » Parking meters
- » Variable cost for parking based on time
- » Residential parking permits
- » Business parking permits

The updated **Parking Management Implementation Plan** will cover the majority of the city, excluding the Bay Street shopping area.

If you have any questions, please contact:

**Amber Evans, City of Emeryville**  
[aevans@emeryville.org](mailto:aevans@emeryville.org) | (510) 596-4382

## Timeline

- October 2017** Collect baseline data.
- November 2017** Get community input.
- January 2018** Release draft report.
- February 2018** Go back to community, including Planning Commission and City Council.
- Spring 2018** Issue Request for Proposals (RFPs) and select vendors for parking technologies and adopt Residential Parking Permit (RPP) Policy.
- Summer 2018** Install and test new parking management technologies. Roll out permits in areas concerned with spillover from priced areas.
